# PREFACE

This publication contains the geographic location plots of the photography on Mission 3241, dated 16 November 1963. These plots are presented on a WAC format that has been reduced for convenience to approximately 60 per cent of the original size. There are 10 plot sheets in this publication arranged in ascending order by control number.

The flight-line index on page iii indicates the approximate track of Mission 3241.
